### Our Programs

#### Siswapreneur @Sports

*Provides training and exposure to students in the sports market*

- The goal of the program is to produce entrepreneurs from sports students
- Provide recognition certificate and guidance in assisting sports students in entrepreneurship

#### Asnaf Foodcart

*It is a contribution from CELCOM*

- To help Asnaf students in the university to do business
- Earn income during study

#### Courses

*Courses aimed at providing early exposure of entrepreneurship and business basics to students*

- Providing understanding, techniques, procedures
- Shaping student mentality as entrepreneurs
